Gulf Coast League triumphs in finals

The Gulf Coast Junior Babe Ruth team captured the state championship in a 14-4 win over Hernando Sunday, July 27, at Long Beach High School. The team now advances to represent Mississippi in the regional tournament beginning Aug. 1 in Hartsell, Ala. Hernando advanced to the finals Sunday following an earlier 9-1 win over Columbus. Hernando pitcher Gary Poindexter was named most valuable player along with the tournament's winning pitcher from Long Beach, Ricky White.

Unseeded Lagarde takes second in Gulf States tourney

Bay St. Louis netter Lis Lagarde captured second place in the girls 14 and under singles bracket of the Gulf States Junior Tennis tournament which concluded Sunday in Baton Rouge, La. Ms. Lagarde, by virtue of a bye and wins over four other hopefuls in the week long

tourney, gained the finals against Anabela Solas of Guadalajara, Mexico, before losing to Ms. Solas 2-6, 4-6. Ms. Solas came into the tournament the top seeded foreign player in the girls 14 and under bracket.

Ms. Lagarde was also presented with the tourney's

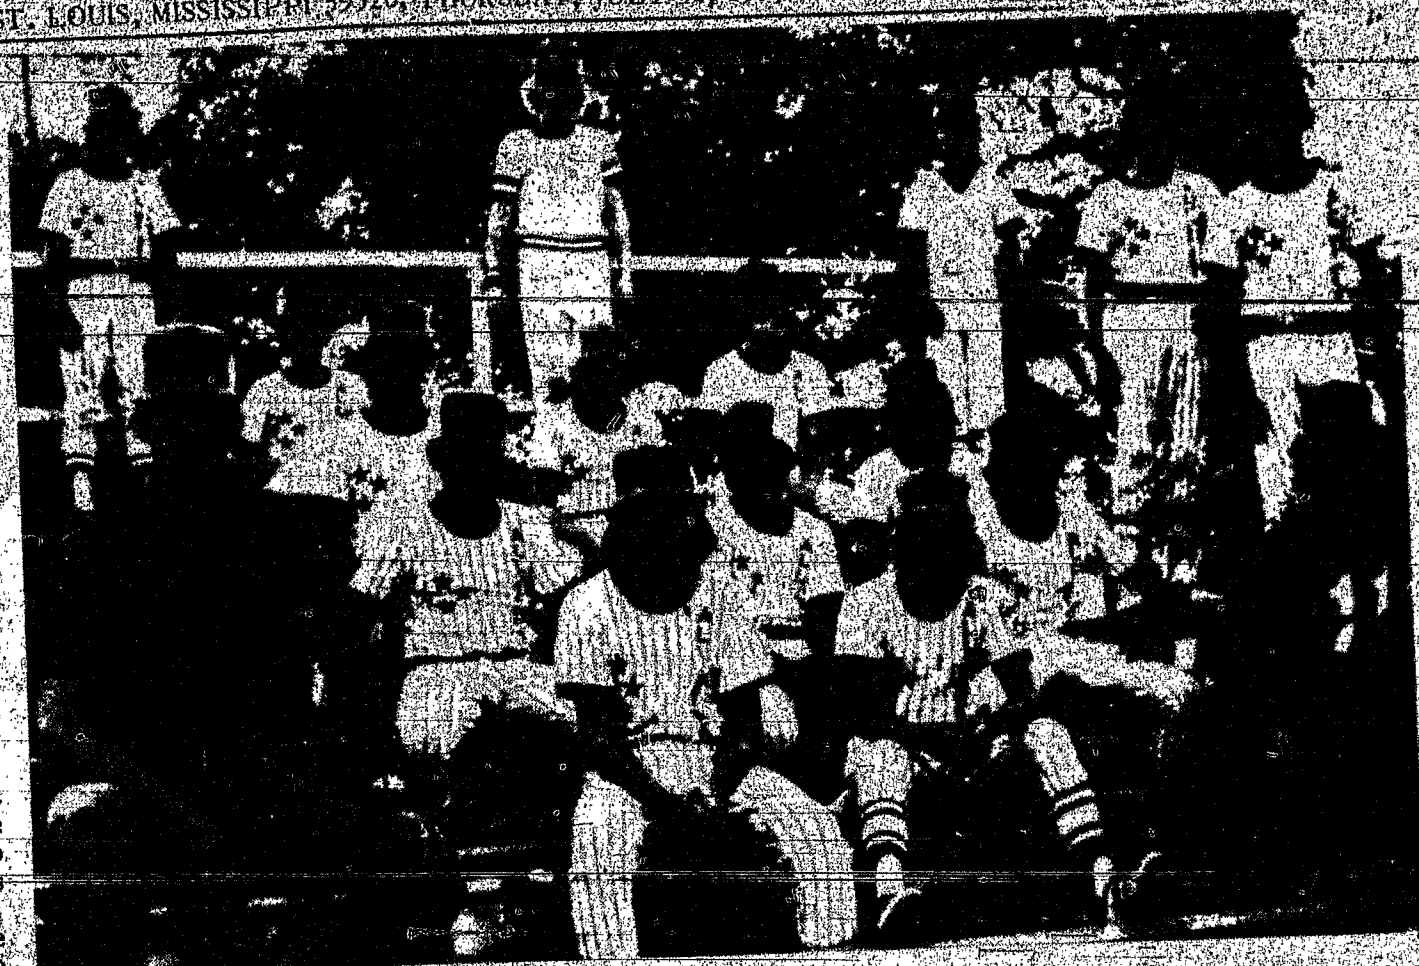

sportsmanship trophy, awarded to one female and one male player from the field of entries, which this year numbered over 500.

Ms. Lagarde, who drew a bye in the first round of play, went on to defeat Betsy Brennan of Metairie, La. 6-1, 6-1 in the second round of play. She later downed Susan Berry of Shreveport, La. 7-5, 6-1 and top-seeded Cindy Delgado of Metairie 6-3, 6-2, 6-1 to advance to the semifinals against Susan Ware of New Orleans.

After dropping the first set to Ms. Ware, 2-6, Ms. Lagarde rallied to take the next two sets 6-1, 6-2 to set up the finals match with Ms. Solas.

The only Mississippian able to avert elimination in the girls 14-bracket, Ms. Lagarde left Monday for the Mississippi State Junior Championship Tournament to be held in Tupelo, Miss. July 28-Aug. 3.

She is the daughter of Mr. and Mrs. Frank Lagarde of Bay St. Louis.

Bay all stars

The Bay St. Louis Little League All-Stars are presently in the semi-finals of the state district tournament in Mississippi City. Biloxi Southern trims Bay All Stars for District title

Bay St. Louis Little League All-Stars defeated Handsboro-Mississippi City, Friday night to take the District Two western division crown but were turned back by Biloxi Southern, 3-2, in their bid to win the all-out District Two title.

The Bay St. Louis all-stars, who trimmed Handsboro 3-2 in their match Friday night for the western division crown, could not overcome a stubborn Biloxi Southern (Eastern Division winners) Monday night despite a three-hit performance from losing pitcher David Strong.

the fourth inning when the Southern players broke loose for all three of their runs.

Bay St. Louis collected six hits in the game with Biloxi with Jeff Kergosien and Kelly Geroux scoring the Bay's two runs. Both were driven in by Donald Carver's double.

Winning pitcher was Glen Sablich. Against Handsboro, Mississippi City, the Bay all-stars trailed 2-0 until the last half of the final inning of play. Down two outs, batter Neal Wilkerson reached base on a fielder's choice to set up the Bay St. Louis winning rally.

Winning pitcher was Andrew Haas while Dean Graham absorbed the loss.

Leading hitters for the Bay were Perre Cabell, who went three for four trips to the plate, and Kelly Geroux and Bobby Richardson, who both collected two for three.

The District Two playoffs marked the farthest that any previous Bay Little League team had advanced in play.

Tennis, anyone?

Lis Lagarde, runner-up in the Girls 14 singles of the Gulf States Tennis Tournament last Sunday at Baton Rouge, shows off the handsome silver tray and trophy accorded her for her second place finish. Lis, who entered the tourney unseeded,

knocked off top seeded singles player Cindy Delgado before losing in the finals to the top foreign seed, Anabela Hernandez Solas of Mexico. Lis is the daughter of Mr. and Mrs. Frank Lagarde of Bay St. Louis.

Biloxi Southern now advances to the overall state championship this Friday against Southaven, Miss. in either Mississippi City or D'Iberville.

Bay St. Louis led against Biloxi 2-0 until the bottom of

Bruce Cabell walked to put runners on first and second base. A single by Jeff Kergosien scored Wilkerson, followed by a double by Perre Cabell to score brother Bruce for the tying run.

Another single by Kelly Geroux drove in Kergosien for the winning run.

Long Beach swamps Bay to win Babe Ruth title

Long Beach bounced back from an early round loss to claim the state Babe Ruth League baseball title for 13-year-olds Sunday at Bay St. Louis, defeating Bay St. Louis 11-1 and 10-0 in the double elimination tournament.

Long Beach was forced to come up through the loser's bracket after an early round loss to Pass Christian Thursday night. Pass was subsequently eliminated from the tournament after suffering two losses to Bay St. Louis.

It was the second straight year for Long Beach to win the state championship. Long Beach will now play in the regional Babe Ruth tournament at Griffin, Ga., Aug. 7.

Dwayne LaFontaine opened up what promised to be a

strong bid by Bay St. Louis for the tournament title with a 2-1 victory over Pass Christian last Wednesday night. Kevin McCaleb collected two hits for the Bay in the game with Scott Cox scoring the winning run in the last of the eighth inning.

Bay St. Louis defeated Pass again Friday night 11-7 after Pass had trimmed Long Beach for its only loss of the

tournament Thursday night 7-6. Gary Sotak was the winning relief pitcher for Bay St. Louis against Pass with Mike Richardson and McCaleb leading all hitters with two doubles apiece.

Rain Saturday forced the double playoff Sunday pitting Long Beach and Bay St. Louis in the finals. Jerry Dubuisson was the

winning pitcher in the first game, and Dwayne LaFontaine was charged with the loss. Dubuisson also had four hits in as many trips to the plate to lead the winners at bat.

Mike White shut out Bay St. Louis in the second game, while Kevin McCaleb was the loser. White also led the team with two hits. Dubuisson was named the tournament's most valuable player.

Sugar Bowl enters 1976 superdome era

New Orleans — With two events, the 42nd Sugar Bowl football classic and the two-night basketball tournament, the 1976 New Orleans Mid-Winter Sports Association's calendar of sports will enter a new era.

After 41 years at their old home site (the \$3,000 seat Tulane University stadium), the new site of the New Year's Eve grid classic is located in the city's central business district.

The game will be held at 8:30 p.m. Wednesday, Dec. 31, the earliest starting time since the Sugar Bowl advanced their game to a New Year's Eve night presentation.

In addition to the football game, the four-team holiday basketball classic, which includes four nationally-known collegiate basketball teams (Tulane, Ohio State, Tennessee, and Pennsylvania), will be played in the Superdome.

Dates for the two-night roundball tournament will be Sunday, December 28, and

Monday, December 29, with kickoff each night at 7 p.m.

Seating capacity for the Superdome for football is 44,000, which could be expanded to 60,000, and for basketball 19,400.

The University of Pennsylvania Quakers, four-time Ivy League and three-time Big Five champions, will be making their first appearance in the Sugar Bowl tourney and will have two standout performers: All-Junior center Henry Johnson and 6-4 sophomore guard Mark Lonetto, in their lineup.

Phil Hicks, an AP honorable mention all-American last year, will be the spark of the Tulane team returning to the Sugar Bowl cage tourney field for the sixth time. The Green Wave will be guided by third-year coach Charles Morr.

Ohio State, a Big Ten power, is making its second appearance and keying the Buckeyes' attack will be 6-0 junior Larry Bolden, 6-10 senior Craig Taylor, and 6-2 sophomore Mark Bayless.

Tennessee, which should be

a strong contender for Southeastern Conference cage honors this coming season, will be in the Sugar Bowl tourney for the fourth time.

Coch Ray Meers will have two of the top scorers in the SEC last year returning: freshman scoring sensation Bernard King and sophomore Ernie Grunfield.

Other events on the Sugar Bowl's week-long mid-winter calendar of sports will be a five-day junior tennis tournament beginning Friday, Dec. 26, at City Park with singles and doubles play in various age groups, including a collegiate division, and a four-day sailing regatta on Lake Pontchartrain beginning Saturday, Dec. 27.

The regatta will be in two divisions, an intercollegiate series Dec. 29 and 30, and a Gulf Yachting Association program Dec. 27 and 28.

Rebels complete recruiting

UNIVERSITY, Miss. — Ole Miss Head baseball coach Jake Gibbs Wednesday announced the completion of Rebel diamond recruiting for 1976 with the signing of pitcher-first baseman Charlie Lea of Memphis.

In the signing of Lea, a 6-4, 175-pounder from Kingsbury High, Gibbs and assistant coach Larry Williams have now inked six players for next spring's play.

Lea, drafted by the New York Mets, was All-Memphis and All-Shelby County in leading Kingsbury High to the District 20 championship and second place in regional competition.

In his only season of pitching, the newest Rebel signee was 7-2 with 88 strikeouts in 53 innings. He allowed just 19 hits and five earned runs for a prep ERA of 0.65.

As a first baseman, Lea hit .417 with three home runs and 15 stolen bases. He lettered three years in baseball for coach Charles Nute.

Lea was also a three-year

basketball letterman, rating All-District and Exp. Player of the Week honors.

Previously signing with the Rebels were outfielder Ronnie Russell of Christian Brothers in Memphis, catcher Larry Brown of Niceville, Fla., pitcher-shortstop Mike Pomeranz of Richmond, Ind. and pitchers William Wolfe of Semmes, Ala. and Robert Harris of Wingfield High in Jackson.

Favre announces football tryouts

Hancock North Central High School will hold an organizational meeting Aug. 7 at 6 p.m. for all returning students interested in playing junior or senior high football in the upcoming school year.

Head football coach Irvin Favre said that equipment would also be issued at the meeting.

All boys interested in play must attend, Favre said.

Practice drills will begin Aug. 11 at 6 a.m.

I've been there.

"I have in fact, been there. As your state representative I have served two eight-year terms in the house of representatives, and I'm prepared to serve again.

"There is a great deal of work to be done in the legislature over the next four years, and Hancock County is going to need experienced representation if we're going to share in the proceeds of our own tax dollars.

"My legislative record and achievements are a matter of public record, and rather than elaborate on what I have done in the past - I would rather submit my candidacy to you based entirely upon what I want to do in the future."

Walter J. Phillips

Here's a partial list of what I want to do:

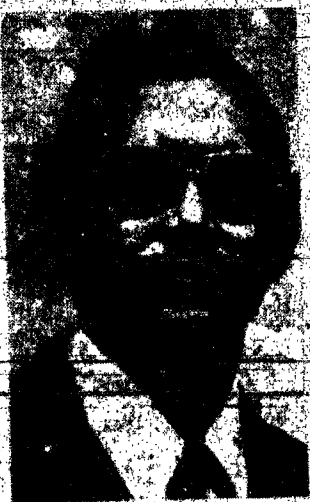

- ONE: **INTEREST FORGIVENESS**
To work to obtain interest forgiveness of the Governor's Emergency Council loan for both Hancock County and the Cities of Bay St. Louis and Waveland. This can result in a savings of approximately \$400,000.00 to the taxpayers.
- TWO: **GASOLINE TAXES**
To work toward reducing gasoline taxes. At the present time our tax is higher than in any other coastal county. This can and should be lowered.
- THREE: **EDUCATION**
To work toward an improved educational system, with particular emphasis on special education. Additionally, to bring

- FOUR: **REHABILITATION**
To work for the improvement of penal and mental health institutions throughout the state, and toward the creation of more and finer facilities for juveniles and for the mentally retarded or handicapped.
- FIVE: **GOOD GOVERNMENT**
To work for the improvement of all phases of state government. To support and encourage sound economic principles, and the types of spending that will in fact bring the greatest value in return to the taxpayer. And to work to improve the lines of communication between the legislature and the people.

Let's put 16 years of experience back to work.

As most of you know taxes are based by what the tax assessor-tax collector assesses your property and homes along with the mills which are already set.

I am for fair and impartial taxes with the lowest possible assessment. The tax assessor cannot go down on taxes that have already been assessed and taxed by him unless the five supervisors agree to it.

We are in a world of crises now. There are all kinds of shortages - gasoline being one of them. I know we need taxes for more and better roads but if gasoline keeps going up and the shortages continue, we're not going to need all these new roads. But no matter what kind of shortages we have, we are still going to need our homes and businesses. I'm not saying that we're getting taxed out of our homes yet. But let's stop going up and up on taxes before we do.

We are supposed to be conservative with gasoline, gas, electricity. Well, the politicians, supervisors and leaders of our county and country should be conservative with our tax money at all times but especially now until we see what the economy is going to do.

If I haven't been to your home or if I have failed to see you, please accept this as a personal invitation as a solicitation for your vote August 5, 1975. Being a working man, it is impossible for me to cover the whole county. Your vote and support will be greatly appreciated.

(Special to The Echo)

PEARL RIVER, La. - Five Hancock County horses visited the winner's circle here Sunday at Oak Downs. They included Keokuk Kid, Miss Bay Star, Bailey, Little Cabbage, Van Fol Mike and Lightning Bar Tag.

Keokuk Kid, owned by Joe Necaise and trained by Willys

Rhodes, ran a Class B time of 18.03 seconds in winning the 330-yard fourth race.

Miss Bay Star, Bailey, owned by Elbert and Donald Cuevas, easily won the four-horse 330-yard 11th race with a Class B clocking of 16.92.

The James Watson family

had two victories, first with Little Cabbage by a head in the 220-yard eighth race, and then with Van Fol Mike in an easy sprint over Timberlake in the 400-yard 14th.

Lightning Bar Tag, owned by Lesli Dedeaux and trained by Larry Favre, captured the 300-yard fifth.

Two meet records were broken Sunday to highlight a 16-race card.

The 400-yard mark was topped in the sixth race as J. J. Miller's Red Edition ripped off a Top A time of 21.04 seconds in beating Dial Donna

Ole Miss reports record camp enrollment

UNIVERSITY, Miss. - Less than two weeks away from the third basketball camp of the summer, Ole Miss head cage coach Robert "Cob" Jarvis said Wednesday that early applications could send the Rebel camps to an all-time enrollment high.

The fifth annual basketball camp program attracted over 300 youngsters in weekly sessions for girls and boys June 15-21 and June 22-28.

With the upcoming camp finale, Aug. 3-9 for boys, the late summer session has drawn an overwhelming response from basketball-minded youngsters.

not established a camp quota.

The camp is open to boys aged 10 through rising high school seniors.

Rebel assistant coaches Bill Bolton and Ken Turner are serving as assistant camp directors.

They will be joined by a staff of instructors headed by former Rebel coach and the state's first All-American, L. "Country" Graham.

Among other successful mentors slated to appear are Lafayette Stirling of South Leake High at Walnut Grove and Gaylon Baird of Horn Lake.

The camps are sanctioned by the Mississippi High School Activities Association and the Mississippi Private Schools Association.

Further information may be obtained by contacting the Department of Extension and Continuing Education, University, Miss., 38677.

Bay big men get big lift at Gulfport meet

David Edwards and Gilbert Whavers, two local Bay St. Louis youth, now playing collegiate football, captured the individual awards in the Gulfport East Booster Club Weight Lifting Meet at the school Monday night.

Edwards of Mississippi State University lifted the most weight in a single attempt with a dead lift of 500 pounds and had a total of 1,145 pounds for three lifts to win the 198 pound college division. He played football at Pearl

River Junior College.

Whavers had the highest total of any lifter of the meet with 1,205 pounds. He made a 305 pound lift in the bench press, 450 in the bench squat and 405 in the dead lift to win the 220 pound college class.

Whavers, who was an outstanding football player at Bay High School, is a sophomore linebacker at Grambling College.

Another Bay St. Louis local, Dale Lofcano, captured the 185 pound college class with a total of 1,115 pounds for his three lifts.

Other collegiate athletes participating in the meet were Ed Porter and Sam Piazza of Pearl River Junior College.

SPORT TALK

By Charlie Henderson

Q. All right, football fans, what two famous Los Angeles coaches both hail from the same tiny coal-mining town of Shinnston, West Virginia?

A. The odds against it must be out of sight, but two coaches, both big winners in Los Angeles at different times, really did come out of Shinnston. One was Jimbo Joe Stydahar, a great tackle with the Chicago Bears who later coached the L. A. Rams to their only NFL title in 1951. The other is John McKay of the University of Southern California, who has led USC to four national titles.

Q. Millionaire's Questions: If Catfish Hunter is worth \$3.7 million or so, how much would Sandy Koufax have been worth today?

A. Some baseball men say Koufax might not have gone as high, even though most agree he was an even greater pitcher. Hunter has always been healthy, but Koufax had a history of finger and elbow problems that ended his great career prematurely. The Catfish went so high because he's still young and has never had arm trouble or other physical problems, so he figures to be a long-time star.

If you want "more things" in a word, you can't do better than a "long" word. I mean, our big selection. Our selection is the best of the year right now in trouble-free trading!

Case #2. Insurance Fraud

Things seem to be getting better as far as fishing goes. Different kinds of salt water fish are being caught out front and up the rivers and bayous. Some specks, white trout, flounders and red fish are being caught by those casting and using snail rigs with live and dead bait.

The floundering and soft crab situation is getting better as the tides are low about midnight. Mostly those catching them are those retired or those who don't have to go to work as it is an all night job getting them.

A new tad is wading out by the American Legion Pier and casting for speckles, white trout and occasionally catching a red fish.

The old way of using a boat is still being done by the old timers such as Ernest Strong, Horace Farr, Brother Perri and others.

Hard crabs are being gotten and are giving pretty good. Almost everywhere. Wop Glover has been catching them right in front of his home just south of the American Legion Pier on the beach front. Wop has been doing this for years.

Bass (green trout) are being caught most everywhere because the water is clear and they've been falling for the past 5 days in the afternoons. They are even being caught in Pearl River proper. Good fishing can be had in the Pearl River section from Pearlington down to Little Lake or in Middle, East and West Middle River.

Was a pleasure talking to Elmer Necaize up in the county at Rocky Hill. Elmer is one of our older fishermen and hunters and got his share of fish and game. Old sports don't get old, they just get better. Underwent an operation last week. Best of luck fellow.

Emory Pendergraft reported catching one 25 lb. drum and one 12 pounder plus a 10 lb. sheephead recently. Seems like he goes after the big ones.

Met George and Jo Shannon of McDonald Lane who told a good story. They bought a new motor and went to Joe's Marina to try it out. While passing Buoy 9 they stopped and did a little fishing. They returned home with 60 fish. Croakers and white trout. They named the motor "Baby." Jo said they had a good motor and a good catch of fish.

Met Peter DeMaggio of Pass Christian, originally from New Orleans and recently retired. Pete is going to do some fishing from now on. Never too old to fish is his motto.

The Scavo's daughter, her family and their friends the Bonatelli's, all from N.J. visited Waveland last week. While here, Tony, Tim, Mark, Mike and Rocky caught 150 Croakers, white trout and snappers on a fishing trip out of Empire, Louisiana. Tony said he had a hard

time giving away all those fish, but he made it.

Numerous cases of fishing without a license are being made by our local game wardens. Better check yours and see that it has not expired. Our game wardens have a job to do and are doing them well. You can help them and yourself by being a good sport. Check your fishing license and see that it is up to date.

Ladies And Gentlemen Of HANCOCK COUNTY

As the election draws near I would like to reiterate the basis upon which my campaign was founded and to inform you of my policies of administering the Chancery Clerk's Office as your next Chancery Clerk.

But, first, I would like to express my gratitude to the people of Hancock County for the courteous and friendly manner in which they have treated me in their homes, at political rallies, at church fairs, etc. Meeting and talking to each of you on a personal level has indeed been my pleasure and privilege.

I have based my campaign strictly on my qualifications and experience resulting from eight and one-half years of employment in the Chancery Clerk's Office. I have confidence in the voters of Hancock County to recognize that I am the best qualified candidate for the job.

My goals, if elected, are as follows:

- I - A well trained, courteous staff.
- II - A Chancery Clerk who is not only in the front office, but will be working with and updating the training of the staff to keep the Hancock County Chancery Clerk's Office on a level second to none.
- III - To issue county warrants only when there are sufficient funds in the bank and to be able to tell you where the funds were spent.
- IV - Investment of idle funds to make a profit for Hancock County.

I had been hopeful of seeing each and every one of you, but as time grows short, I can see that this will not be possible.

For those of you I did not have the pleasure of visiting at your home or at a public outing, please accept my solicitation of your vote through this media as a personal one.

The privilege of voting gives all of us the opportunity to become involved in our county government. I urge you to exercise this privilege by going to the polls and voting for the candidates of your choice on August 5th.

Lila Ladner Taylor
CHANCERY CLERK

HANCOCK COUNTY

(Pd. Pol. Adv.)

HARRY D. MITCHELL WRITE-IN CANDIDATE FOR STATE SENATOR

DEAR VOTER:

It is time to change politics as we have come to know it in Pearl River and Hancock counties. It is time we steered clear of the smug, over-confident politician who we only see and hear from every four years around election time and who, after re-election, fades right back into obscurity, only to re-emerge four years later, the cycle repeating itself year after year.

Harry D. Mitchell believes this to be not only unnecessary, but improper and unfair to the citizens who pay legislators' salaries. And it is his firm intention to put an end to the "disappearing" politician who does not stay in close personal touch with his people. Your write-in vote for Harry Mitchell will be your state senator in your assurance you will know at all times where your legislator is and what he is specifically doing for the betterment of the community.

Harry Mitchell's approach to politics is simple enough — the only way to effectively represent one's constituents is to stay in constant contact with them. Now this may seem obvious but nowadays, when election-time is over, too many of our so-called state leaders become a little casual about their positions, not to mention why they're in that position and who put them there in the first place. The result? Poor and ineffective representation which in turn leads to the needs of the community getting shuffled around, postponed, outright ignored, or otherwise put by the wayside.

On the other hand, Harry Mitchell has the definite knack, rarely found in public officials, of being able to get things done. He is well aware of the system's obstacles, but he also knows that what it takes is a healthy dose of determination — a real determination — and the willingness to plow right into the weeds of all that is wrong in our government. It is this forceful attitude that makes Harry D. Mitchell a candidate worth considering.

As a write-in candidate for the office of state senator of Pearl River and Hancock Counties, Harry takes no political position. He is not running for office. He is running to represent you. He is running to be your state senator. He is running to be your legislator. He is running to be your voice in the state legislature.

Harry D. Mitchell is a resident of Bay St. Louis, Mississippi. He is a graduate of the University of Mississippi and is currently employed as a teacher in the Bay St. Louis School District.

Bart Pepperman and wife Mary Ann and three children visited me last weekend. They come to Waveland regularly to visit his parents Mr. and Mrs. John Pepperman who own a summer home in Waveland. Bart fishes regularly out of Empire, La. He spent a week on vacation at Waveland, soft crabbing and floundering.

Mike and Sandy Haggerty with their three children spent last weekend with me. Mike made the town with Alden Mauffray. Took the family crabbing and fishing.

The Bay-Waveland Gun and Rod Club held another meeting on July 23. Business matters were conducted, new members admitted and a shrimp supper enjoyed. New members to the club are always welcome and solicited. It is a swell sports club of which to belong to.

Horace Ruhr popped it to the flounders again. He speared 5 which weighed 3 1/2 lbs. Horace knows his stuff when it comes to spearing these delicious eating fish and cooking 'em.

James Ruhr and Gerald Kennedy caught 39 speckle trout last week. They wouldn't tell where they got them. Both these birds have eagle eyes when it comes to locating them.

Mississippi needs a responsible, ethical governor.

If you are disgusted by the unethical behavior of people in positions of public trust, fight back.

Through your own personal commitment to honest government, through your vote, you can overcome those who would exploit their offices for personal gain.

You can elect a man whose integrity and honesty are unquestioned and whose strength and determination will bring order and ethics back into state government.

You deserve more than a politician.

Rifle club holds championship

The National Rifle Association, the governing body for sport shooting in the United States, will conduct two major national championships during August.

More than 2,500 competitors will shoot in pistol, smallbore and high-power rifle events at the 1975 National Rifle and Pistol Championships held annually in Camp Perry, Ohio.

The 1975 NRA Metallic Silhouette Championship, Tucson, Arizona, will take place Aug. 29 through Sept. 1.

ELECT CLINTON LADNER SUPERVISOR BEAT 5 Hancock County

Clinton Ladner has announced that he will be seeking election for Board of Supervisors for Hancock County Beat 5.

Ladner is a 30 year old native of Hancock County and a graduate of Hancock North Central.

He is a self employed construction and heavy equipment worker. His wife, Anne Bennett Ladner, is a Special

Education Teacher at North Bay elementary.

Ladner feels it is time for a young man to prove to the

people what a Supervisor can do and is capable of doing and

will do to serve the people with the people's interests being

his No. 1 and only priority.

He is a man that believes in progress. Hancock County is

a county with potential but it needs to be developed. I'm not

saying that we need a plant on every block in the county

but it is time for us to take our heads out of the sand. Just

take a look around at the things we could have had and lost.

We need industry in Hancock County. And look at our

hospital. It could be more than just an over-sized first aid

station.

He is a young man with a lot going for him. He has within

himself the better enthusiasm and desire to serve the

people of Beat 5 and Hancock County in the best interest of

the people.

A man who is willing to do a full-time job. He is capable of

working for the people of Hancock County because of his

strong belief that more can be done for the improvement of

Hancock County.

Your vote for me will be a vote for you the people of

Hancock County.

Because fishing and boating play such prominent roles in mid-summer outdoor recreation in Louisiana and Miss., the wildlife and fisheries commissions this week reminded the state's water-borne public to observe regulations of personal safety, and that includes proper usage of what is commonly referred to as "life preservers."

J. Burton Angelle, Louisiana Wildlife and Fisheries Commission director, says the U.S. Coast Guard grades four types of "life preservers" (personal flotation devices), and each one is approved for certain circumstances.

Remember it is better to be safe than sorry. Be careful. Use a life preserver.

Sorry to read of the death of Herman Holleman last week. He was a good sport, fisherman and hunter. Sympathy is extended to members of his family.

Two good sports are Clayton and Betty Thompson. Don't do too much fishing but do share at eating them. Looking for that fish supper, folks.

Sorry I missed a visit from Andy Anderson. Andy is a former sportsman from Shoreline Park but has been stationed in Asia for some time. Better luck next time, Andy.

Emery Farve and Bruce Fayard caught 30 croakers and some white trout and flounders recently up Jordan River. These men are strictly salt water fishermen.

Baptists sponsor softball touney

Softball teams sponsored by Baptist churches throughout the state are invited to participate in the Mississippi Soft-Pitch Softball Tournament for men and women in Jackson Aug. 14-16.

All players participating in the double elimination tournament must be members of the sponsoring church.

Trophies will be awarded to the champion, runner-up, third and fourth place teams. Windbreakers will also be awarded to members of the first place team.

Long Beach captures Babe Ruth title

The State Babe Ruth baseball championship was won by the Long Beach team which defeated the Gulfport team 10-0 in the final game Saturday.

The team is now eligible to compete in the regional tournament this week in Mobile, Ala.

Winning pitcher for Long Beach, Kramlich, was voted Most Valuable Player following Saturday's game. Kramlich earned the honor by pitching out 27 batters in two games.

Long Beach got four hits in the game against Hernando.

The team advanced to the final Saturday following a win over Mendenhall, 17-0 Wednesday. Mark Ross was the winning pitcher in the game.

Winners announced in local tennis tournament

Winners of the Parks and Playgrounds tennis tournament were announced this week by Doug McQueen, supervisor of the program.

In the boys' contest winners were: group I, Kevin Lader, first, and Steven Martinelli, second; group II, Wayne Lader, first, and John Gleber, second; and group III, Rick Lader, first, and Scott Sauter, second.

In the girls' contest winners were: group I, Deanna Demoran, first, and Christy Gleber, second; group II, Anne Scaffidi, first, and Karen Lader, second; and group III, Mary Trombley, first, and Dana Favre, second.

Great Moments in Sports

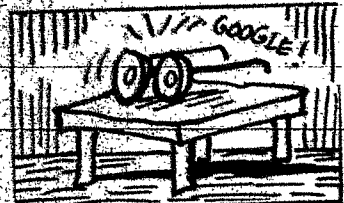

What historic baseball moment is this? The date was July 13, 1955 and the site was Milwaukee's County Stadium where the stars of the National and American League met in baseball's 22nd All-Star Game. Trailing by 3-0, the Nationals rallied in the late innings to tie the score, but it was this play that decided the game.

Ole Miss signs Maryland netter

UNIVERSITY, Miss. — Bob Barnes, outstanding prep tennis player from Cheverly, Md., has signed a grant-in-aid tennis scholarship with Ole Miss.

Currently ranked No. 3 in the boys 18-and-under singles and second in doubles in Maryland, Barnes captured the District Singles Scholastic Tournament in 1974.

Fish fry highlights local USM reunion

GULFPORT, Miss. — A fish fry is on the agenda for the Harrison County Alumni Chapter of the University of Southern Mississippi when they meet on Aug. 19.

Three top officials from USM are on the program, according to Dr. Tom E. Benefield, president of the local chapter.

On hand to share the latest about Southern will be Dr. Aubrey K. Lucas, president; Roland Dale, athletic director; and Bobby Collins, head football coach.

Festivities will start at 6 p.m. at the Westside Community Center. Admission is \$2.50.

Tickets may be ordered in advance from Benefield or the USM Alumni Association at

GO ANYWHERE FISHING KIT

Problem: You're flying on an unexpected trip to a place where there's great fishing, but you don't want to carry more than one suitcase. How do you take along your fishing tackle?

Fortunately, many travelers miss out on great fishing because they don't know how to take a rod, reel and tackle without adding extra baggage. During many years of travel, the outdoor recreation staff at Mercury Outboards has developed some techniques that simplify flying with fishing tackle.

Space and weight are important considerations when packing a suitcase. For a compact, lightweight tackle box, raid the family kitchen for a plastic food carton with a snap-on lid. Choose one that is flat, wide and 10 to 12 inches long. This goes inside the suitcase.

Pare down the number of lures to only those which fit the kind of fishing you intend doing, and only the best two of each type. You can always buy additional lures when you arrive, and you'll want to try some of the local favorites, anyway.

To the box add a folding penknife, a pair of radio technician's long-nosed pliers, some leader spools, swivels and anything else you need.

Most tackle makers produce gunfishing or flyfishing rods that break down into three or four short pieces. Some are combination rods that permit both types of angling. Look for one in an aluminum or plastic case that fits the length of your suitcase.

A lightweight fly reel, or ultralight spinning reel, takes little room and can be placed between folded clothing to cushion it.

The only thing the Mercury fishermen haven't yet learned how to do is bring home the fish they catch.

Special bicentennial tags offered

State Motor Vehicle Comptroller Bob Sharpe announced this week that Mississippi would have a bicentennial tag as part of a statewide effort during the year-long celebration of our nation's 200th anniversary.

The tag which will not be a regular vehicle registration tag, but rather a decorative tag to be displayed under the front bumper of the vehicle, uses the famous Natchez Trace heritage to depict the

commemoration of the country's 200th birthday. The tag is designed to parallel the history of the Natchez Trace by using the horse and postal rider of the old Natchez Trace trail on the left side of the tag in blue, with an arrowhead-shaped stars and stripes in the center portion of the tag in red, white and blue. The tag has a brilliant white background. The bicentennial tag may be purchased for \$1 when regular license plates go on sale at all

county tax collectors' offices and from all civic organizations and service clubs that wish to participate. The tag was designed by motor vehicle comptroller employees and prepared for production by a Jackson advertising agency. Mississippi's bicentennial tag was approved by the tag commission composed of the Governor, state attorney general, state treasurer, and the motor vehicle comptroller.

The tags are now being manufactured at Columbus Marble Works in Columbus, Mississippi, at a cost of 50 cents per plate to the state motor vehicle comptroller who will in turn sell them to the tax collectors and other groups for the same cost. The funds collected by the tax collectors will be deposited in the respective county's general fund. Money collected by other groups will be used at the group's discretion.

In explaining why the tag commission had selected this particular design for the bicentennial tag, Comptroller Sharpe said, "The Natchez Trace is something that practically every Mississippian can relate to, and its rich history is part of our nation's early heritage."

DeSoto discovered the Natchez Trace in 1540, and no one really knows how long the trail had been used prior to that date. The road was used as a postal route from Nashville, Tennessee, to Natchez beginning in 1799. The first post office along the road was established in Mississippi territory. Mail delivery from Nashville to Natchez required ten days and four hours in those days. The Natchez Trace is significant in Mississippi history as well as in the history of America.

Mississippi Senator Pat Harrison was instrumental in getting the Trace accepted into the National Park System in 1937. The modern roadway now touches sixteen Mississippi counties.

PRC lists fall costs

POPLARVILLE — Commuter students attending Pearl River Junior College during the 1975 fall semester will pay \$151 per semester, and \$362.50 per semester if they decide to stay on campus, President M. R. White announced today.

The \$151 commuter price includes matriculation of \$90, books cost of \$25, and \$36 transportation cost for the 18 week semester.

Resident students will pay \$362.50 for their semester stay at Pearl River. This total includes the matriculation fee, books, five day meal ticket, and living in a new or renovated air-conditioned dormitory. The cost of living in Marlon Hall, a three story girls resident hall is a little higher.

A breakdown of this total shows students paying \$67.50 per semester for rooms, and \$100.00 for a five day meal ticket. Students can purchase

a seven day meal ticket for \$225.

Students are eligible to ride a bus from any point in the district for only \$2 per week.

Mississippi students whose parents reside outside the Pearl River College taxing district but in the supporting district of another junior college will pay \$15 per six weeks or \$90 per semester. Students living outside the state will pay a non-resident fee of \$200 per semester. This fee applies to students taking 12 hours or more.

Vocational students are required to pay a fee of \$45 per semester. Welding students will have to pay \$90 per semester.

Other special fees include \$190 for the cosmetology program; \$50 for the L.P.N. fee per semester. Piano lessons, two days a week for non-music majors will cost \$30 per semester.

Stamp deadline extended

ATLANTA, Ga. — The deadline for using the old series of food stamps — 50 cents, \$2 and \$5 — has been extended from June 30 to Aug. 31, according to John W. Booser, Southeast regional director of the food stamp program.

The extension was granted, Booser explained, to allow recipients who had been issued coupons after the cut-off date adequate time to use them.

The new series of food coupons — \$1, \$5 and \$10 — was introduced Mar. 1, 1975 and a deadline of June 30 was set at the time for using the old series. In some areas, however, it was necessary to continue issuing the type stamps after the planned cut-off date.

Booser also announced that the deadline for grocery stores to redeem the old series at the banks has been extended from July 31 to Sept. 30.

"Future performance can best be judged by past accomplishments."

HANCOCK COUNTY HIGHWAYS

The major project on tap for Hancock County's highway system in the future will be construction of a hospitality station on Highway 10 between Pearlinton and the Mississippi Test Facility.

During his tenure in office, Highway Commissioner W. H. "Shag" Pyron has been responsible for completion of several major road projects for Hancock County.

They include:
Four-laning Highway 10 from the Louisiana line across to the Harrison County line.
Four-laning Highway 607 near the Louisiana line to above Bay St. Louis.

Reconstructing route 604 near where the hospitality station will be built to Pearlinton.

Two-laning above the Mississippi Test Facility to Pearl River County line.

Two-laning from Pearl River County line to Highway 603 above Kiln.

Reconstruction of Highway 603 above Kiln to above Nacaise.

Widening and overlaying Highway 13 above Waveland to Kiln.

Widening and overlaying Highway 90 from below Pearlinton midway between Highway 590 and 607.
